Subject: URT Cancer Synthesis
Attachments: Upper Respiratory Tract Cancers and Formaldehyde (November 24 2015)_bg.docx

Hi Tom,

I reviewed the URT Cancer Epi section. It is looking good. Our assessment of the studies and the basis for our confidence labels is much more clear. There are a few items that are needed to have it ready for Bob and David's review, plus I have put some comments in a few places in the doc.

Ex. 5 Deliberative Process (DP)

Thank you very much. Barbara
